TOUR DE FLORIDA RUM FLIGHT 40

Coco Cartel Rum (Miami FL)

Premium añejo rum cut to proof with fresh coconut water. Our single-origin rum is distilled from sugarcane syrup and aged for up to 12 years in new charred american white oak barrels. Our "secret sauce" is that we use fresh coconut water, locally harvested within 48 hours prior to blending, to "proof" our rum from barrel strength to bottle strength (80 Proof / 40% ABV)

St Augustine Rum (St Augustine FL)

Our pot distilled rum, made from select, regional grade a U.S. fancy sugarcane syrups and molasses made from florida sugar cane. It is one of the very few rums that is aged in barrels that previously held bourbon from the same distillery. We believe our pot distilled rum is the ultimate continuation of florida's rum tradition.

Siesta Key White Rum (Sarasota FL)

It is adored for its flavor profile. Lime juice, sweet vanilla, sugar, and fruit are the most prominent flavors in this rum. Siesta key silver rum is distilled in small batches through copper stills using only the hearts of each run. It is bottled at 40% abv.

Siesta Key Toasted Coconut Rum (Sarasota FL)

Shredded toasted coconut is simply steeped in the rum for a few weeks along with a few freshly ground spices and then filtered (the most painfully laborious part of the process). The filtered rum is then sweetened ever so slightly with honey and bottled at 35% abv.
